B.E.P.Q. 546 Effective July 10, 1946

UNITED STATES DEPARTMENT OF AGRICULTURE
AGRICULTURAL RESEARCH ADMINISTRATION
BUREAU OF ENTOMOLOGY AND PLANT QUARANTINE
DOMESTIC QUARANTINE NOTICES

ADMINISTRATIVE INSTRUCTIONS DESIGNATING CONTROL-AREAS UNDER PROVISIONS OF THE WHITE-PINE BLISTER RUST QUARANTINE

Introductory Note

These administrative instructions designate the States or parts of States into which the interstate movement of gooseberry and currant plants is prohibited or into which, with the exception of European black currants, they may be moved only when accompanied by control-area permits. These are the areas in which five-leaved pine is protected from infection with the white-pine blister rust disese, which is spread by gooseberry and currant plants, by removal of such plants in the vicinities of pine stands.

§301.63 Administrative instructions designating the control-area States or parts thereof into which the movement of gooseberry and currant plants is regulated or prohibited.-- Pursuant to the authority conferred upon the Chief of the Bureau of Entomology and Plant Quarantine by 301.63-3 of Notice of Quarantine No. 63, on account of the white-pine blister rust which became effective July 1, 1946, the States of California, Connecticut, Delaware, Georgia, Idaho, Maine, Maryland, Massachusetts, Michigan, Minnesota, Montana, New Hampshire, New Jersey, New York, North Carolina, Ohio, Oregon, Pennsylvania, Rhode Island, Tennessee, Vermont, Virginia, Washington, West Virginia, and Wisconsin are hereby designated in part or in their entirety as contral areas, and effective July 10, 1946, the interstate movement to such control areas of gooseberry and currant plants, cuttings, and seeds is prohibited or regulated as provided hereinafter for each such State or part thereof.

CALIFORNIA.--European black currant plants may not be moved interstate to any destination in California.

Gooseberry and currant plants, other than European black currants, may be moved interstate without restriction into California, except that their interstate movement is prohibited to the following shipping points:

REGULATED ARTICLES NOT AFFECTED BY THESE INSTRUCTIONS

(1) Movement of five-leaved pines.--As provided in 301.63-5 (a) of Quarantine No. 63, revised July 1, 1946, five-leaved pines may be moved interstate without restriction between the noninfected States of Arizona, Colorado, Georgia, Kentucky, Nevada, New Mexico, South Carolina, Tennessee, Utah, and the noninfected part of California comprised of the counties of Calveras,

Contra Costa, Mono, San Francisco, San Joaquin, Tuolumne and all those south thereof. Five-leaved pines may not be moved interstate into these areas from any other part of the United States except when intended for reforestation purposes and when they have been grown in a nursery protected from blister rust infection and when accompanied by a white-pine certificate issued for such movement by the Bureau of Entomology and Plant Quarantine.

There are no restrictions on the interstate movement of five-leaved pines and parts thereof into or within that part of the continental United States outside of the areas described in the above paragraph, except that five-leaved pines and parts thereof when visibly infected with blister rust may not be moved interstate anywhere within the continental United States except in accordance with 301.63-9 of the quarantine regulations.

(2) Movement of European black currants.--As provided in §301.63-5 (b) of Quarantine No. 63, revised July 1, 1946, European black currant plants may be moved interstate without restriction between the States of Alabama, Arkansas, Florida, Kansas, Louisiana, Mississippi, Missouri, Nebraska, North Dakota, Oklahoma, South Dakota, and Texas. Interstate movement of such plants into or between any other States or the District of Columbia is prohibited except in accordance with §301.63-9 of the quarantine regulations.

These instructions shall be effective on and after July 10, 1946, and shall remain in effect until further modified or revoked.

(Section 8, 37 Stat. 318, 39 Stat. 1165, 44 Stat. 250; 7 U.S.C. 1940 ed. 161; 7 CFR §301.63-3, 11 F. R. 6960.)

Done at Washington, D. C. this 1st day of July 1946.
